

Microscope usage fees:

ver. 20/05/2021

- Usage is charged based on the time booked in the instrument booking system or the actual time spent using the instrument whichever is longer.
- ABIF staff assistance is charged on top of the instrument usage fee.
- Training sessions are charged as assisted sessions (ABIF staff assistance + instrument usage fee); a typical training session duration is 1.5 - 2.5 hours (depending on instrument).
- Long-term discounts of 75% and 95% apply after 8 and 24 hours of continuous usage, respectively.

Prices in SGD/hour:

Service/equipment category	Academia	Industry
Specialised optical microscopes	45.00	90.00
Advanced optical microscopes	30.00	60.00
Scanning electron microscope	30.00	60.00
Standard optical microscopes	8.40	16.80
Basic optical microscopes	0.00	0.00
ABIF staff assistance	66.00	132.00

Specialised optical microscopes:

- Custom Raman/Brillouin microscope

Advanced optical microscopes:

- Leica TCS SP8 X WLL
- Carl Zeiss ELYRA PS.1 with LSM 780 confocal
- Carl Zeiss LSM 780
- Carl Zeiss Axio Observer 7 with Aurox Clarity

Standard optical microscopes:

- Carl Zeiss Axio Observer Z1 – inverted epifluorescence microscope
- Carl Zeiss Axio Imager M2 – upright epifluorescence microscope

Basic optical microscopes:

- Discovery.V8 – stereomicroscope
- Carl Zeiss Primo Star
- Nikon Eclipse Ts2 FL
