

usage fees for non-SCELSSE users

ver. 13/11/2019

- Fees in this list apply to ABIF users who are not affiliated to SCELSSE and whose usage of ABIF is not directly related to a collaborative project involving a SCELSSE PI.
- Usage is charged based on the time booked in the instrument booking system or the actual time spent using the instrument whichever is longer.
- ABIF staff assistance is charged on top of the instrument usage fee.

Prices are in SGD/hour except for training which is quoted in SGD/instrument

Service/equipment category	Academia	Industry
Advanced optical microscopes	30.00	60.00
Standard optical microscopes	8.40	16.80
Basic optical microscopes	0.00	0.00
ABIF staff assistance	66.00	132.00
Training	300.00	600.00

Advanced optical microscopes:

- Leica TCS SP8 X WLL
- Carl Zeiss ELYRA PS.1 with LSM 780 confocal
- Carl Zeiss LSM 780
- Carl Zeiss Axio Observer 7 with Aurox Clarity

Standard optical microscopes:

- Carl Zeiss Axio Observer Z1 – inverted epifluorescence microscope
- Carl Zeiss Axio Imager M2 – upright epifluorescence microscope

Basic optical microscopes:

- Discovery.V8 – stereomicroscope
- Carl Zeiss Primo Star
